A Venn Diagram for PIR.Net and OPI Recertification

In short:

- ALL <u>PIR.Net approved</u> hours (which fulfill your 12-hour contractual professional development obligation) are CEUs and may be used towards your teaching license renewal with OPI.
- NOT all professional development activities for which you get renewal units are applicable for Flex PIR credit.

Result:

- Don't count on a training counting towards your flex PIR credit.
- Check before depending on earning credit hours.

For Teaching License Recertification

All Professional Development activities/ renewal unit certificates.

College courses (depending on your certification). Check with OPI.

Courses or conferences for which you have been given release time and attended during the contracted workday.

For Flex PIR credit

PIR.Net-approved Professional Development activities (to meet your yearly 12 hour requirement) are also CEUs.
