

# MEET THE PEOPLE SERVING YOU

## Chris Rost, PA

Chris Rost, PA, grew up in Bozeman, Montana and has a Bachelor's of Education degree from Montana State University. He taught music for six years before going back to school to become a Physician Assistant (PA). Chris graduated from Rocky Mountain College and has been in clinical practice since then. His experience as a PA has included General Surgery, Spine Surgery, Pain Management, Emergency Medicine and Family Practice. Chris is on the Board of Directors for Missoula Medical Aid. He is also a member of the National Speleological Society and the Northern Rocky Mountain Grotto.

Chris is an avid hiker, climber, mountaineer, caver and outdoor enthusiast, and you can often find him enjoying his free time in the mountains. His love of Glacier National Park is evident in the fact he has climbed over 90 peaks and helps write a climbing guide series about the park. Chris has two daughters and a granddaughter.

## Brooke Emerson, RN

Brooke Emerson, a registered nurse, grew up in Columbia Falls, Montana and graduated with her BSN degree from Montana State University.

Her career as an RN began at Kalispell Regional Healthcare, then charge nurse on a n in-patient unit at the Cancer Treatment Centers of America. Brooke strives to provide high-quality care for all patients. She is devoted to her practice and is a great advocate.

Brooke states, "My passion is to deliver patient-centered, holistic care to individuals of all ages. I believe in health promotion and wellness through preventive medicine.

I am honored to be serving the patients of CareHere, and I look forward to assisting them as they achieve their optimal health and wellness."

Brooke and her husband enjoy the outdoors, traveling, sports and spending time with family.
