

Dear **FHS Student**,

Your state, district, or school has provided you with free access to ACT[®] Online Prep[™] (AOP)! You will find this a very useful online resource to prepare you to take the ACT[®] test.

You're already preparing to take the ACT with what you're learning in school—but additional practice can help you do your best. AOP helps you:

| | |
|-------------------|---|
| ✓ Get ready | It's a great way to prepare for the ACT, especially since it's built by the ACT test makers themselves. |
| ✓ Get comfortable | The practice questions and tests are taken from previous ACT tests, which helps you get used to the format and avoid surprises on test day. |
| ✓ Get confident | As you see your scores and percentages change with each completed course and practice session, you'll know you're getting the hang of it. |
| ✓ Go mobile | A free AOP mobile app is available for when you're on the go! |
