

Edgerton Elementary School 20-21 Alumni Award

\$500 Scholarship Awarded by the Edgerton Elementary School P.T.O.

The Edgerton School P.T.O. is sponsoring two scholarships of \$500 each to alumnus of Edgerton Elementary School. The recipient will agree to attend our Awards Assembly in the Edgerton gym in June and speak briefly to our students about how your time at Edgerton School affected the rest of your scholastic career and the importance of education in your future plans.

The two winners will be selected by a scholarship committee after thoroughly reviewing completed applications. The committee will use a weighted scoring system to choose the winners with 25% of the score based on applicant's listed activities and 25% based on attached transcripts showing current and cumulative G.P.A. The other 50% of the score will be based on an essay which describes how your time at Edgerton made an impact on you, what motivates you, what ideas and issues interest you the most, your professional goals, and the way you will achieve your goals.
